

Volunteers are needed to perform the ultimate act of kindness.

Hebrew Free Burial Association arranges nearly 350 burials a year at its historic Mount Richmond Cemetery, 420 Clarke Avenue.

There is always a need for volunteers to attend these burials and 'make a *minyan*.'

This is a unique to Staten Island *mitzvah* which is incredibly fulfilling and uplifting!

You can volunteer for as little as 45 minutes a month (the time to participate in one burial).

Volunteers don't need to be able to read Hebrew.

Join and take advantage of the over 200 opportunities per year to perform the *mitzvah* of *chesed shel emet*.
